Join SANDAS today!

The South Australian Network for Drug and Alcohol Services was established in 2004, to enhance community wellbeing and reduce the harms associated with alcohol and drug use.

We provide independent, state-wide representation and advocacy for non-government organisations working in the alcohol and other drug sector, through networking and policy development.

SANDAS welcomes membership from the following groups:

- non-government agencies providing a service to reduce the harm of alcohol and other drug use;
- individuals who have an involvement with prevention and reduction of harm of alcohol and other drug use;
- students studying relevant courses.
