Responsibilities of Board

Powers and duties of the Board are set out in Section 8 of the [SANDAS Constitution](#).

The Board will focus on the strategic direction and the core policies of the organisation. It is not the role of the Board to become involved in day-to-day operational decisions. Where individual Board members become involved in operational matters, they should separate their strategic role (where they operate independently of any direction) from their operational role (where they act at the direction of management).

Collectively, and in conjunction with the Executive Officer, the Board is responsible to:

1. Provide leadership in the establishment, implementation, monitoring and review of the quality management system:
 - Establish, maintain and communicate the [SANDAS Quality Policy](#), including establishing quality objectives as part of the strategic planning process, guided by the [SANDAS Planning Procedure](#) and the [SANDAS Document Review Procedure](#) (ISO9001:2015 5.2.1)
 - Be aware of quality system requirements and the importance of integrating them into all business processes. (ISO9001:2015 5.1.1 f)
 - Ensure quality management is a standing agenda item at Board and staff meetings. (ISO9001:2015 5.1.1 f)
 - Monitor quality outcomes (ISO9001:2015 5.1.1 g) via:
 - ✓ Reporting requirements, as outlined in the [SANDAS Governance Procedure](#);

2. Ensure the availability of resources necessary to meet the requirements of the quality management system (*ISO9001:2015 5.1.1 e*). These resources include:

 - Infrastructure – leasing of premises and purchase of significant assets are overseen and approved by the EO, as per the [SANDAS Delegations of Authority Schedule](#).
 - Work environment – regular staff meetings facilitate discussion and a collaborative approach to work. Regular [individual supervision](#) and annual [staff appraisals](#) provide opportunity for two-way feedback.
 - Financial resources – financial operations are guided by the [SANDAS Finance Policy](#), administered by the Finance & Admin Officer and overseen by the EO and the Board Treasurer.
3. Ensure an ongoing commitment to customer focus (*ISO9001:2015 5.1.2*)
- Remain current with member and sector issues, needs and opinions via regular site meetings, surveys, networking, event evaluations and media monitoring, as per the [SANDAS Stakeholder Engagement Procedure \(ISO9001:2015 5.1.2 a and c\)](#)
 - Ensure that contractual obligations are understood and documented, and a plan is developed, implemented, monitored and reviewed as necessary to achieve the agreed outputs/outcomes. This process is guided by the [SANDAS Project Management Procedure \(ISO9001:2015 5.1.2 a\)](#)

SANDAS MANAGEMENT & BOARD RESPONSIBILITY POLICY

Individually, Board members are expected to contribute to the running of the organisation by:

- Regular attendance and participation at Board meetings
- Participation in the sub-committees, or other initiatives of the board established to improve the business outcomes of SANDAS.
- Acting in good faith, for the benefit of the Association and in accordance with the provisions of the Incorporated Associations Act, the [SANDAS Constitution](#) and SANDAS policies and procedures

Board members should endeavour to attend all Board meetings, but where an absence is unavoidable the Board member will:

- Send an apology to the Board Chair as soon as practicable, with an explanation for the absence.
- Copy the apology to the EO, who will record the absence.
- If a Board member is absent without an acceptable apology from more than 3 meetings in a financial year then they cease to hold office (*refer [SANDAS Constitution 7.5](#)*)

Proxies

Where an organisational Board member is unavailable for a Board meeting the SANDAS Constitution (*clause 9.5*) provides the right to send a proxy, subject to conditions. In the interest of continuity, the Board requests that organisations only appoint a proxy in the event of an extended absence. One-off or short-term absences are more appropriately managed by raising any issues for consideration by the Board with the Chair, prior to the meeting (*refer [SANDAS Constitution 9.5](#)*).

Where a proxy is to be appointed, the name of the proxy must be forwarded in writing by the Executive Officer of the member organisation to the Board Chair or Secretary prior to the meeting. All proxies will need to sign the [SANDAS Staff and Board Confidentiality Agreement](#).

Additional Responsibilities of Board Chairperson

The position of Board Chairperson is established by the [SANDAS Constitution](#) and the Board Chairperson is required to meet all the obligations included in it. Additionally, there are a range of other responsibilities, including:
